

IN GROUND SWIMMING POOLS

Is a permit required?

The installation of swimming pools within the Nation Municipality requires a permit. A permit can be obtained through the Building Department for a fee of \$200, which includes a \$100 deposit refundable once a final inspection has been completed. A plan is required.

Partial List of Requirements;

Fence

Must be at least 5'(60") minimum height. There shall be a distance of 48" minimum between the fence and any part of an in ground pool.

This document is provided solely for your convenience and should you require any assistance please contact the Building Department.

Setbacks

Please consult with the municipal planner for setbacks to property lines.

Equipment Shed

To be erected in accordance with the Ontario Building Code. A separate permit may be necessary with construction drawings. Municipal set backs may also be respected.

Gates

All gates must be the same height at the fence. Gates must be equipped with a self-closing and latching device and locked when not in use.

Mechanism to be at the top inside corner of gate.
