

How to open the agendas and minutes when using Google Chrome

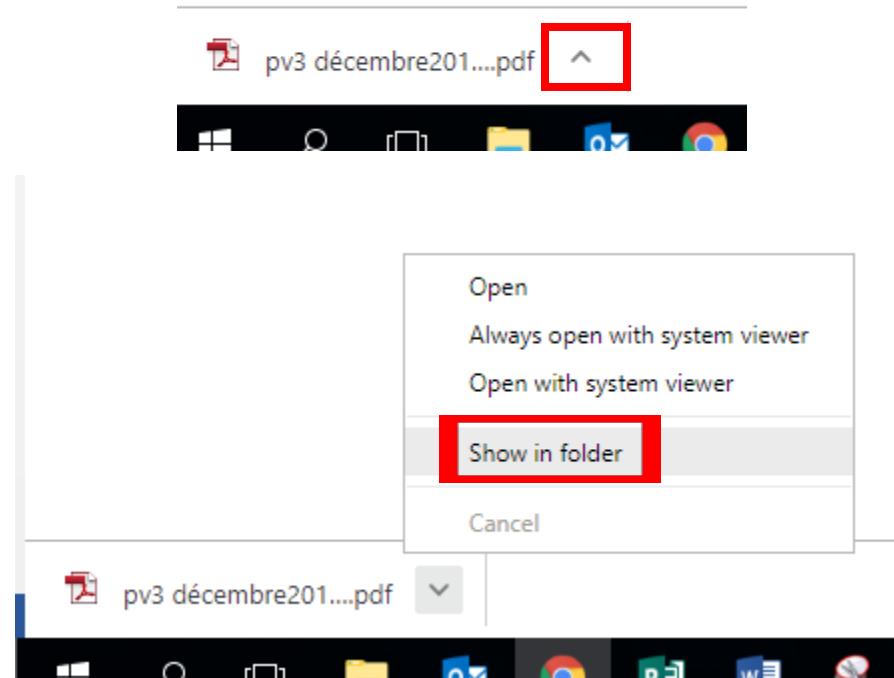

1. Click on the agenda or minutes that you would like to open. For example:

[Download December 3, 2018 Minutes](#)

2. The document will appear on the bottom left of your screen. **DON'T CLICK ON IT JUST YET.**

3. Click on the **arrow** next to the title of the document and click on **Show in folder**.

4. The document will appear, simply **double-click** on the icon to open it.
