

Application form

Municipal waste services for businesses and farms

The Nation Municipality is offering waste services to businesses and farms. This application is not for residential dwellings.

This application concerns all businesses and farms within The Nation Municipality. Residential standards will apply for a quantity of two (2) plastic bags (76 cm x 96 cm) or one 125-litre container for non-recyclable waste and the equivalency of three (3) regular recycling blue boxes or one 125-litre container (clearly identified) for recyclable materials.

Rate will be the same as a residential dwelling for a fee of \$180.00 per year (unless otherwise stated).

For more information, please contact Daniel R. Desforges at 613-229-1040 or drdesforges@nationmun.ca.

Please fill out the application form below and send it to:
