

Is a permit required?

The installation of swimming pools within The Nation Municipality requires a permit at a cost of 200\$, which includes a 100\$ deposit refundable once the final inspection has been completed. A permit can be obtained through the Building Department. A location plan is required.

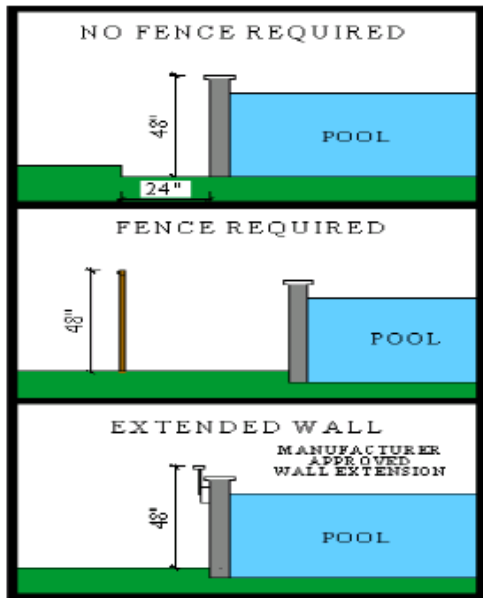

Provide a safety ladder if no deck access is provided.

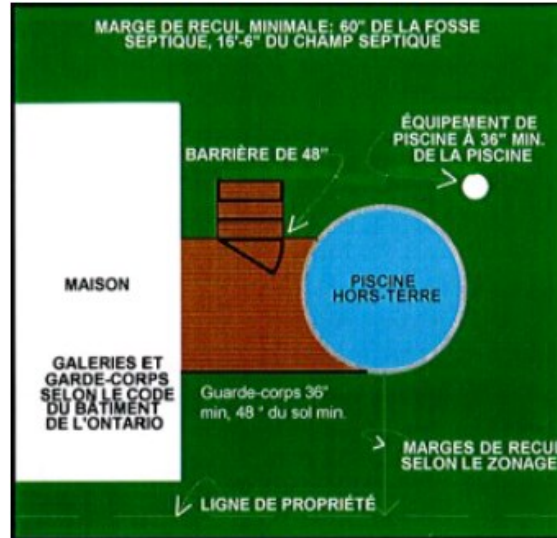

Partial list of requirements

Fence

Must be at least 48" minimum in height, achieved by either the pool itself, a fence, or a manufacturer approved pool wall extension (see sketch).

This document is provided solely for your convenience and should you require any assistance, please contact the Building Department.

Setback: Please consult with the municipal planner for setbacks to property lines.

Decks: To be erected in accordance with the Ontario Building Code and zoning regulations. (Provide plans as required)

Gates: All gates must be equipped with a self-closing and latching device at the top inside corner and locked when not in use.

Equipment: It must be located a minimum of 36" away from the wall of the pool.

This document is an extraction from The Nation Municipality By-Law Number 80-2005 Swimming Pool Enclosure By-Law.
