

## **Report to Council**

**Report Number:** TP-15-2023

**Subject:** St-Isidore Fire Station – roof

**Prepared by:** Joanne Bougie-Normand, assistant.

**Revised by:** Marc Legault, Public Works Director

**Revised by:** Mario Villeneuve, Fire Chief

**Revised by:** Nadia (Lockhart) Knebel, Treasurer

**Revised by:** Josée Brizard, Chief Administrative Officer / Clerk

**Date of the meeting:** July 10, 2023

## Context

As requested by the Council members at the meeting of June 12, 2023, to obtain quotations to supply and installation of new roof shingles at the St-Isidore Fire Station.

## Report

Four contractors were invited to submit a price for the above project.

We received one bid:

Bidders	BID \$ Including HST	Date & Time - BY EMAIL
1897340 Ontario Inc.	47,262.25	6/28/2023 (8:44 a.m.)

I recommend 1897340 Ontario Inc.'s quotation bid. Since there is no fund in the 2023 budget, I propose that a temporary fund be taken from the reserve of trucks of the fire department and that amount be in the 2024 budget as a repair to the St-Isidore fire station to reimburse the fire trucks reserve.

## Financial Considerations

<b>MATERIALS AND LABOUR</b>	<b>Amount</b>
Total price w/13% HST	\$47,262.25
Price, 13% HST removed	\$41,825.00
Non-refundable part of HST	<u>\$736.12</u>
Total price to municipality	\$42,561.12
Budget 2023 – Longtin Sideroad guide rails	0
From reserve – Fire trucks	<u>\$ 42,600.00</u>
Total amount borrowing from reserve.	\$ 42,600.00

## Recommendation

Be it resolved that Council receive report TP-15-2023 as presented by the Public Works Director and the Quotation Road 11-2023 be awarded to 1897340 Ontario Inc. for the sum of \$42,561.12 including tax to supply and installation new roof shingles as per specifications.
