

SCHEDULE “A” TO BY-LAW 146-2024
 Water Service Rates – St-Isidore Water System

The following rates are imposed on owners or tenants of each lot that is connected to the water system and is also connected to the wastewater system:

Water Service Rate per cubic meter (m³) of metered water consumption	
Billed per quarter – for connections to water & sewer services	
Fixed quarterly charge	\$142.78
Variable charge per m ³	
0 – 40 m ³	\$3.02
41 – 50 m ³	\$3.72
51 – 60 m ³	\$5.70
> 61 m ³	\$6.70

Water charges are based on municipal water having passed through the water meter, whether used or wasted, as measured by volumetric reading of a municipal water meter which has not be illegally tampered with, or as otherwise established by the Municipality.
